Still no codes showing... The exhaust smells very rich, like there's a lot of unburnt fuel going thru the engine. Also (this might not have anything to do with the current problem), but when I put my left or right blinker on, I got hazards on the tail lights and when I put the brake on, the blinking noise from the turn signal in the cab stopped and blinking on the tail lights also stopped.

Like many American Dream Stories, ours began in a garage. It was 1987 in the Midwestern town of Humboldt, Kansas. Roger Baker was experiencing declining demand for his skills as a classic car restorer, and Joe Works had endured several tough years on the family farm. To provide for their families, they began applying their skills in a new way—building custom truck beds under
