A Tank is a player in a party that is intended to soak damage from mobs and prevent more vulnerable party members from being attacked. In theory, the tank should be the only one taking damage, and therefore be the only one who needs healing. A tank needs to be healed in order to ultimately survive a fight.

They tank great, and their aggro passive and naturally high damage let them hold aggro pretty easy, but they lack the defensive abilities of a templar or even of a gladiator, and fall short compared to them. Their DPS is great too!, but they can't compare to the 3 kings of sorcerer assassin and gladiator.

Gladiator's main weapon choice is the Polearm simply because it is the most powerful weapon type in the game, and that's what Gladiators do, dish out high damage. Since Gladiators can use a wide variety of weapons, I think the best setup would be a Polearm (or Greatsword, your choice), and dual wield two swords.
