* These commands can be held down at the end in order to simulate a long press of the assigned key. Note that on Symbian Belle touch devices, up to 5 buttons can be located on the bottom of the screen, depending on the application.

Nokia Screen Reader Configuration - Code Factory

Nokia's history dates back to 1865, when Finnish-Swede mining engineer Fredrik Idestam established a pulp mill near the town of Tampere, Finland (then in the Russian Empire). A second pulp mill was opened in 1868 near the neighboring town of Nokia, offering better hydropower resources. In 1871, Idestam, together with friend Leo Mechelin, formed a shared company from it and called it Nokia Ab ...
