Finding & Patterning Coastal Yellowtail. October 14, 2017 Leave a Comment. Whether you credit El Niño, blame it on Alaskan high pressure ridging, or think that it's a byproduct of the warm water blob that's been lurking in the northeastern Pacific the past couple years, one thing is for certain: 2015 is going to go down in history as the year of the giant coastal yellowtail.

Recording. The album's creation was an exceedingly long and difficult process, which singer Ian Gillan compared to the recording of Who Do We Think We Are in Rome. Gillan has remarked on how strained relations within the band compromised the album: "I look back at House Of Blue Light, there are some good songs on that record, but there's something missing in the overall album.
