I took my ATI Fundamentals exam about three weeks ago and got a Level 3...the highest level. I split the book up and read so many chapters a night, did the ATI questions in the book as well as the practice exams my school put out for us to do. The night before the exam I went back thru the book and read areas I had highlighted for a quick review.

Honestly, though, I felt as though there was no way to study for ATI (at least, as far as Fundamentals was concerned). I made Level 2 just by taking all the practice exams I could (never scoring above a 65% on ANY of them), and even then, 90% of my answers on the real thing were based on educated guesses.
