Researchpaper:GettingStarted(. 1. Create a research goal statement. Your research goal statement is different from your thesis statement because you can develop your research goal statement before you have the expertise (evidence) to create a refined thesis. You can create your goal statement before you begin researching.

Research Paper Getting Started111113 - Lake Forest College

The Purpose of an Historical Research Paper. It is not what you might think. It is much more in depth than just reciting history or repeating what other books say. A research paper in history is an exercise in exploration and supporting theories. Don't look at it as a report. Don't look at it as a summation of an event. It is much more than that.
