Gameplay. Myth: The Fallen Lords is a real-time tactics game, and as such, unlike the gameplay in real-time strategy games, the player does not have to engage in resource micromanagement or economic macromanagement, does not have to construct a base or buildings, and does not have to gradually build up their army by acquiring resources and researching new technologies.

It has been a while since I published a long article, and I have been working for many hours on this follow-up to the August article, Why I Am No Longer a Lightworker. That piece generated a lot of positive responses, as well as tremendous resistance and scorn from those within the New (c)Age movement who are heavily invested in the illusions of the false light.
