GX160 Governor & Carburetor Speed Adjustments

This video demonstrates the proper procedures for servicing the Honda GX series carburetor. It was made using the GX160 engine but the carburetors on other GX's are similar. The video was made to ...

Honda GX Series Carburetor Service

This year, 2007, the Cadet class of Honda has discarded engine sealing and made the position of the cam gear 'free' (if your rules also allow the camgear to be 'free' then it may be of use to Snrs as well).

Mapping The Valve Timing of a Honda Gx160 - UK Karting

There is nothing quite like a brand new Honda GX160 G4 motor in a sealed box. It is the blank canvas with which to create a very competitive kart race engine. There are many things that can be done to a GX160 to increase power, but how much can you get whilst optimising the engine within the MSA specifications?
