Infinity 4 Layne Harper

Infinity is a fitting finale to Charlie and Colin's journey. It's been a long one, thankfully the wait between books wasn't long, but Layne Harper gave this couple the ending they deserved and I flicked the final page with a smile on my face. I've made no secret that the pair of them have irritated, frustrated and annoyed me through the series.

Over the weekend, I read all four books in Layne Harper's "Infinity" series. The male lead is an NFL quarterback and that's about all it took to reel me in -- because I love a good sports-themed romance. And although the glaring editing errors irritated the heck out of me -- and believe me, they could easily have been corrected -- making this ...
