Negation and in particular how negative contraction competes with verb contraction is a very large area of research. For example, The Longman grammar of spoken and written English devotes thirty pages to it, and there's some information in the appendix, too. Since there is so much detail there, and your question is about "I've not" vs.

negation - Difference between "I haven't" and "I've not ...

According to Oxford Dictionaries Online the verb congratulate collocates with both prepositions, but the meaning is slightly different.. When you congratulate someone on something you give them your good wishes because something special or pleasant has happened to them, e.g. "I'd like to congratulate you on your marriage". When you congratulate someone for something you praise them for an ...

The July Crisis was a series of interrelated diplomatic and military escalations among the major powers of Europe in the summer of 1914 that was the penultimate cause of World War I. The crisis began on June 28, 1914, when Gavrilo Princip, a Bosnian Serb, assassinated Archduke Franz Ferdinand, heir presumptive to the Austro-Hungarian throne. A complex web of alliances, coupled with ...
