Community Reviews. Inio Asano's Nijigahara Holograph is a very powerful comic. Asano also did Solanin, which I liked very much; that one is relatable and Solanin as a character is very likeable, but this one (Holograph, which came out in Japan in 2006), is stranger and more disturbing by far and also more powerful.

Further Reading. "Violence is an important theme in Nijigahara, because one of the core aspects of the book is the constant repression by the community of prophecy, and the violent feeding of the monster who lives beneath that said community, in the tunnel at the Nijigahara embankment." "Life in Nijigahara Holograph is depicted through...

"Nijigahara Holograph" (2003 - 2005) Speaking of ambiguity, that brings us to Nijigahara Holograph, or Rainbow Field Holograph, which is kind of ironic, because the title implies rainbows, but one look at the cover will tell you this is anything but. Holograph is probably Asano's most ambiguous and experimental work to date. Instead of ...

Nijigahara Holograph by Inio Asano. Pay attention to your gut instincts, which should pick up on all of the unnerving peripheral imagery: the silhouette of a young girl stands shin-deep in flowing water. Her hair snakes up in creepy tendrils, framed against the light that floods the world outside a sodden tunnel.
