The following is a list of artists who have released at least one album in the progressive rock genre. Note that individuals are included only if they recorded or performed progressive rock as a solo artist, regardless of whether they were a member of a progressive rock band at any point.

List of progressive rock artists - Wikipedia

A simulation is an approximate imitation of the operation of a process or system; the act of simulating first requires a model is developed. This model is a well-defined description of the simulated subject, and represents its key characteristics, such as its behaviour, functions and abstract or physical properties.
