The short answer is that it depends on how many years of data you need on reports, and by when you need those reports. That said, to phase-in use of Activity Insight and encourage faculty buy-in, in their first year of using the system, many of our clients ask their faculty to enter only information for the current year.

The side of a ship on which it was laden (that is loaded) was called the ladeboard, but its opposite, starboard, influenced a change in pronunciation to larboard. Then, because larboard was likely to be confused with starboard because of their similarity of sound, it was generally replaced by port.
