Pass the PE Exam | PE Exam Prep Courses | School of PE

What is the PE exam? The PE (Principles and Practice of Engineering) exam is a test created by the National Council of Examiners for Engineering and Surveying (NCEES). For most disciplines, it is the second test (the first being the FE) that has to be passed in order to become a licensed Professional Engineer.

PE Exam Prep Courses | Testmasters

School of PE was incredibly helpful in guiding the study process and emphasizing the most important concepts to review. The course was very thorough, and I felt confident going into the test. More importantly, I still felt confident after the test and consider School of PE worth the cost to not have to retake the test.
