At the bottom of the page is a line on which students record their own goal for the unit. To facilitate this step, Mr. Hutchins has a brief whole-class discussion and asks students to identify aspects of the content about which they want to learn more.

What will I do to establish and communicate learning goals ...

The rapid scale up of the response has been accompanied by an increasing emphasis on measurable indicators and results. These include programme monitoring data, behavioural and biological trends data and evaluation of programmes. The increasing demands on country monitoring and evaluation systems can only be met if better systems are built and supported.
