Universal Radio Used Radio Equipment Index

Universal remote controls are a dime a dozen these days, and I bought one as a backup to my other remotes. The only problem with these things is that you need to know the codes of the remotes you want to emulate, and these codes are usually in the manual.

Universal Remote Control Codes

As home theaters become more and more popular, sooner or later everyone begins to experience the same basic problem: too many remote controls sitting on the coffee table. While a few such as those packaged with television sets or receivers may feature basic universal capability, it always seems there's a few buttons on every other remote that you're unable to program yet just can't live without.

Welcome to Remote Central: Universal Remote Control ...

Didn't find what you need? Then it's time to bring out the big guns! As a special service we offer a file section with over 1,600 universal remote control manuals and code lists for more than 115 different brands! If you've got the remote, chances are we have the manual.

RC: Programming Your Universal Remote Control

Welcome to remotecodelist.com a site born after losing one too many universal remote manuals. If you have a remote for which you know the codes (or a web page that lists them) head to the contact page to submit them. Note: This site does not sell remotes, it is merely a list of remote control instructions and codes.
