Thinkwell Chemistry - SUNNYSIDE CLASSICAL CHRISTIAN SCHOOL

This is the answer from Thinkwell: The Physics title is a calculus-based physics: what you would encounter at a big university freshman "physics for science majors" course. It's appropriate for AP physics, however, we only have Physics I, where most colleges will treat physics as a 2-semester course.

Thinkwell FAQ at the Homeschool Buyers Co-op

Thinkwell offers online courses for homeschoolers, primarily for math for middle school through high school. They also have a Biology course and an American Government course, but they are particularly promoting to home educators their math courses for grades six through eight plus Pre-Algebra through Calculus and AP Calculus. I examined the Geometry course for this review.
