You can deal with a bully and change the bully's behavior if you are willing to practice personal courage. But, you must do something. The bully will not go away; if you make yourself an easy target, you will only encourage the bully. If you tolerate the bully's behavior, you are training the bully to continue the reprehensible actions.

### **How to Deal With a Bully in the Workplace**

If you still have questions and the opportunity is available, you should do your own research before asking the question. Knowing as much as you can about the subject before asking the question is the most important part about asking a question intelligently. That you are acquainted with the subject will show when you talk about it.
