Yookoso! — Book 1. Yookoso is a popular two-volume textbook that is used in many U. S. Universities' Japanese language curriculum. Overall, they are solid books for learning the basic grammatical structure of Japanese but they are a bit heavy (literally not figuratively).

Yookoso - Book 1 - Yookoso!

This book is ok, it doesn't do a very good job at explaining or showing you how the grammatical structure of how the language works. This book doesn't teach the same type of conjugation that a native would and when it comes to building your own sentences and getting to play with the language in your own way it doesn't really deliver.
